

**MPENDULO**  
ECONOMIC DEVELOPMENT SOLUTIONS

Skills development and  
Social Economic Development

***" To provide an institutional framework to devise and implement national, sector and workplace strategies to develop and improve the skills of the South African workforce; to integrate those strategies within the National Qualifications Framework contemplated in the South African Qualifications Authority Act"***

Mpendulo EDS provides a full spectrum of skills programs to not only address the national skills shortages we face as South Africans but to also empower our people with the right skill sets and the right attitude that adds value to self ,community and business /sector development needs

In addition , Mpendulo EDS also supports the element of Social Economic Development for locals providing skills programs that contribute to community upliftment.

Our network of professionals are fully accredited for all our training interventions which are aligned to the National Qualifications Framework.
